

Electrical harnesses
and interconnect solutions for
the global manufacturing
industry

UL/CSA Certified  US
ISO 9001:2015 Certified

❁ Our Company

WHIS provides Original Equipment Manufacturers (OEMs) in the global industry with customized interconnect solutions. Our product portfolio includes wire harnesses, cable assemblies, over-molded assemblies, power cords and lead wire assembly.

We strive to exceed customer expectations in quality, delivery, reliability and service as we build a productive relationship based on exceptional customer satisfaction.

Strategic Advantages

Strategic location, State-of-the-art facilities, top of the line manufacturing standards, engineering expertise, and skilled labor force are some of our strengths.

● CUSTOMIZED PRODUCTS

Our in-depth knowledge and expertise enable us to provide customized solutions for our clients. We can build custom wire harnesses from all industrial UL wire types and connectors of different sizes and types.

● QUALITY STANDARDS

All our processes are ISO 9001:2015 certified and our products are UL/CSA approved. This entitles us to guarantee that all of our products are prepared to meet quality standards required by today's global OEMs.

● OUR FACILITIES

With modern precision equipment and state-of-the-art facilities, our 53,000 square foot plant located in Monterrey, Mexico enables us to provide our customers with inventory management solutions and ensure on-time deliveries Nationwide.

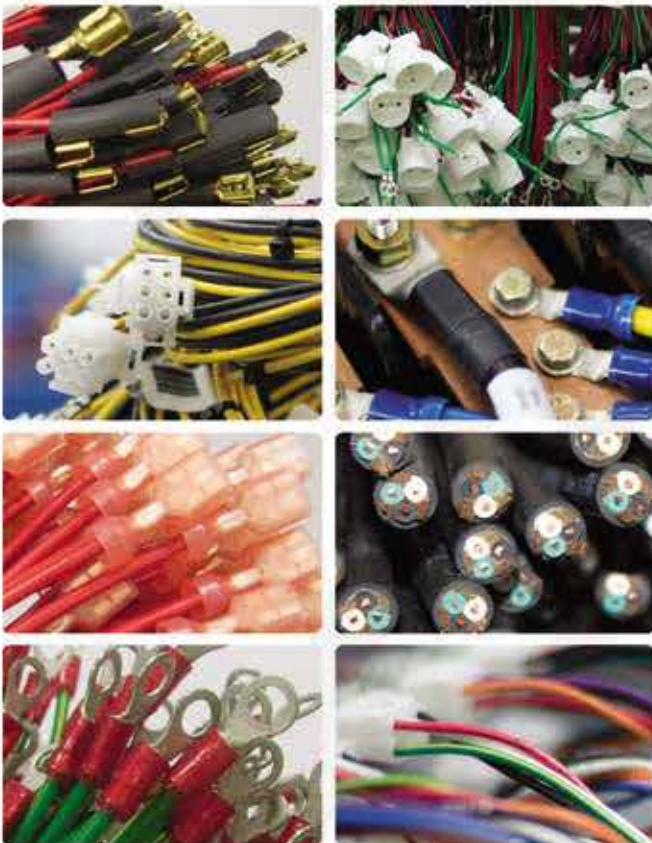

● LOCATION

Monterrey is well-known for its dynamism, labor productivity and industrial diversity. Our proximity to the U.S. border position us as the partner of choice for U.S. and Canadian firms seeking to increase their competitiveness by outsourcing their wire harnesses and interconnect products to Mexico.

Products

Markets

Our experience and capabilities enable us to offer wire harnesses and interconnect solutions that successfully address the requirements of OEMs in the following markets.

- Air Conditioning (Industrial & Residential)
- HVAC
- Refrigeration
- Electrical Water Cooling & Heating
- Electrical Tooling
- Lighting
- Transportation

Quality Policy

Supply electrical harnesses in a timely and consistent manner in compliance with international norms and standards. Meet and exceed the requirements and expectations of our customers by increasing the quality levels of our products, services and processes through our continuous improvement philosophy.
